

Provider Search Instructions

To access the medical network, visit the [Coventry Provider Search](#) website and find a provider by any of the following options:

- Search for providers closest to an address
- Search for providers by their name or phone number
- Search for providers in geographic regions (city, county, zip code)

To search for providers and create a directory:

- Perform the desired search option by typing in an address, provider name, or region details
- Enter the requested information in the fields
 - Under the "Networks" dropdown menu, select **"Coventry Integrated Network"**
 - Select the desired provider type(s), specialties, and practice focus to narrow results
 - Select the "Find Providers" button to populate the list of providers according to the parameters selected.
